Forecast for Monday 24 Apr 2023

Weather: Bright spells with sleet and snow showers, mainly over north Highlands passing by quickly. Drier with more sunshine further south over the mountains of Knoydart.

Chance of cloud-free hill tops above 800m: 60%.

Low cloud and visibility: The air will have great clarity resulting in very good visibility away from cloud. Cloud bases will be around 700m, more extensive at times near showers. Also very brief interruptions to very poor visibility as snow showers pass by.
